CREDENTIALS

MARCH 2016

Licensed Architect, State of Colorado
ARC.00404274

EDUCATION

August 1998 to
May 2004

Southern Polytechnic State University, Marietta, Georgia
Bachelors of Architecture

SKILLS

- Revit 2015
- Auto-CAD
- Adobe Photoshop

EXPERIENCE

November 2017 to
May 2020

Morris Residence, Santa Rosa, California
Contracted Designer

Designed a four bedroom family home from Programming through Construction. This project was defined by the small size of the site, restrictive setbacks and significant regulatory oversight. All engineering work was coordinated by the designer.

March-July 2017

Heier Modern Vacation Rental, Sevierville, Tennessee
Contracted Architect

Provided a Schematic Design for a 3500SF modern luxury Appalachian Cabin to be a vacation rental with four bedrooms, a large common space, numerous entertainment spaces and an indoor swimming pool located in the Tennessee mountains.

November 2015

Programming for Capital Improvements to Valley Hope, A Detox Facility, Parker, Colorado
Contracted Architectural Services through DCC Architects

Led the Programming Phase for Valley Hope of Parker. Tasks included:

- Investigation and information-gathering to assess current space issues
- Analyzing the collected data, in conjunction with similar building typologies, to assess client's spatial requirements for a new facility
- Documentation of project requirements produced in a final Programming Report

March 2007 to
March 2008

Flanagan Architecture, Durango, Colorado
Contracted Intern Architect

Assisted the Architect in Design preparation of construction documents on various projects and drawing presentations.

Projects:

Ska Brewing Company

Durango, Colorado

July 2005 to

Reynolds + Associates, Architecture and Engineering, Durango, Colorado

October 2006

Intern Architect

Primarily assisted and managed various commercial and residential projects from programming through Bidding and Negotiation with some Construction Administration tasks.

- Project Management
- Design Development
- Construction Documents
- Schematic Design

Projects:

First Southwest Bank	<i>Pagosa Springs, Colorado</i>
Community United Methodist Church	<i>Pagosa Springs, Colorado</i>
Thomas Residence	<i>Durango, Colorado</i>
Cohen Residence	<i>Durango, Colorado</i>
Farrell Residence	<i>Durango, Colorado</i>

June 2004 to
June 2005

Tims + Martin Architects, Inc., Roswell, Georgia
Intern Architect

Assisted in all areas of operation and project types within the firm.

- Design Development
- Schematic Design
- Code Research
- Web Design
- Construction Documents
- Materials Research
- Office Management
- Graphic Design

Projects:

Christ Fellowship Church	<i>Dawsonville, Georgia</i>
